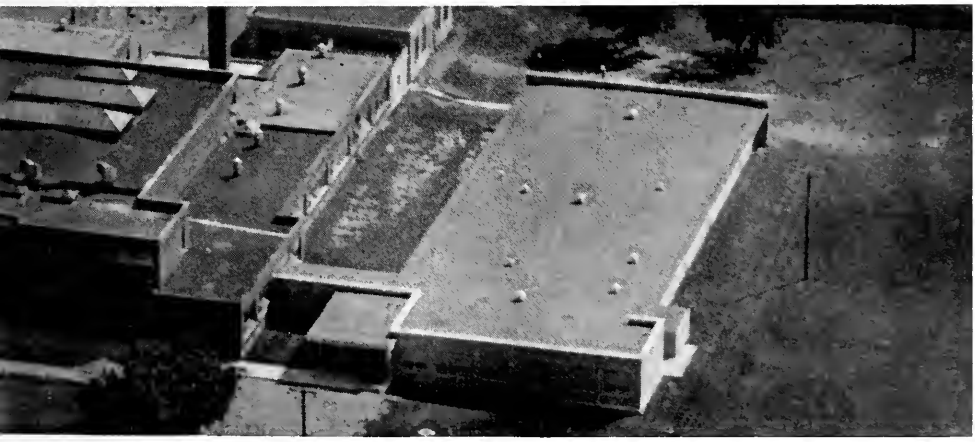
REWARD
HONOR
SUCCESS • OUR ULTIMATE GOAL

Everyone has a goal in life. Some people have higher aims than others and some never reach their goals. As small children we wanted to go to school and we could hardly wait until the first day. Then in a few months we were eagerly awaiting the second grade. As we grew we reached some of our goals and others we outgrew. Then we set new goals that were higher and took more work.

Everyone longs for happiness, honor, and success. At Roanoke we attain happiness meeting and mixing with other students. We make friends and learn how to enjoy ourselves. We receive honor for our achievements, but only if we have done our best. We increase our knowledge and prepare to meet the many challenges of our growing world. If we work to our fullest ability and use our time wisely, we are well on our way to become successful.



SCHOOL LIFE AT ROANOKE MEANS

School life at Roanoke is no different on the surface than anywhere else. What makes it special to us are the little things that happen and the people we know. These little things we will remember in years to come—the antics of our class mates, talks with a friend, last minute cramming for a test, and a word of encouragement from a teacher. These and many more interludes form the important part of each school day.

Everyone enjoys the refreshments sold by the juniors at noon.

Bill Quickery, George Mast and Rich Hertel enter school to begin another day at R. H. S.

The Junior High Sextet includes Carol Schoeff, pianist, Karen Simon, Jo Lynn Hartley, Karen Burkhart, Patty John, Connie Lund, and Patty Crow.

SOMETHING SPECIAL TO US

Freshman girls propose a toast to future happiness at R. H. S.

Elton Lilly and Perry Collins take advantage of the newspaper in the library.

Jim Mendenhall and Lynn Thorn stop at their lockers for things they need and a short chat.

STUDENTS FILL IDLE MOMENTS

How do students at R. H. S. spend their idle moments? They have fun and enjoy themselves. Some students prefer to spend their spare moments performing helpful tasks around the school. Others relax by dancing to the latest twist records, while some enjoy playing pranks and goofing off. Boys adopted such new fads as zipper sweaters, vests, and pegged pants. For girls, printed sweaters, short skirts, knee socks, bouffant hairdos and wig hats were "in." All these contributed to another interesting year at R. H. S.

Lunchroom workers are *1st row:* Dan Jaekson, Terry Craft, Allen Simmers, Mike Dennis, and Larry Stenzel. *2nd row:* Jay Simmers, Jeff Farrell and Don Rice.

Don Hines and Jeff Farrell collect and edit the school news each week for the Roanoke Review.

Charlotte Clark, Cheryl Bandelier, Linda DeWitt, and Janet Beaver kept up the senior tradition with painted skirts.

WITH FUN AND LAUGHTER

Displaying the fads of the year are Dave Latta, Alice Burton, Donna Trumbauer, Mary Delmuth, and Jo Lynn Hartley.

Patrol boys Rodney Gruesbeck, Joe Rogers, Floyd Prouty, Dale Mendenhall and Myron Settlemyre are responsible for the safety of children to and from school.

These three weird characters are all dressed up for the Halloween parade.

STUDENTS RECEIVE RECOGNITION

Students who represented Roanoke in the County Spelling Bee are JoLynn Hartley, Lana Witherow, Marilyn Schoeff, Joe Loughmiller, Ricky Hartley, and Bob Hoover.

Everyone likes recognition. The students at Roanoke are no exception. As a reward for their efforts, many students were presented this year with pins, letters, and certificates. Each year a night is set aside to recognize these students for their accomplishments during the school year. On Achievement Night many students receive music, academic, citizenship, and sports awards. By special effort many students reach their goals and are recognized for their achievements.

Representatives to Boy's State and Girl's State were Don Zent and Janet Beaver.

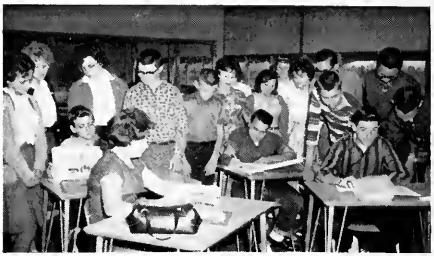
Steve Doepker was the Red Cross Leadership Training Delegate this year.

FOR ACCOMPLISHMENTS

The American Legion Awards were presented to Kathy McNamara and Bob Rice for good citizenship and scholastic achievement.

Cheryl Bandelier was named to the Daughters of the American Revolution Good Citizen.

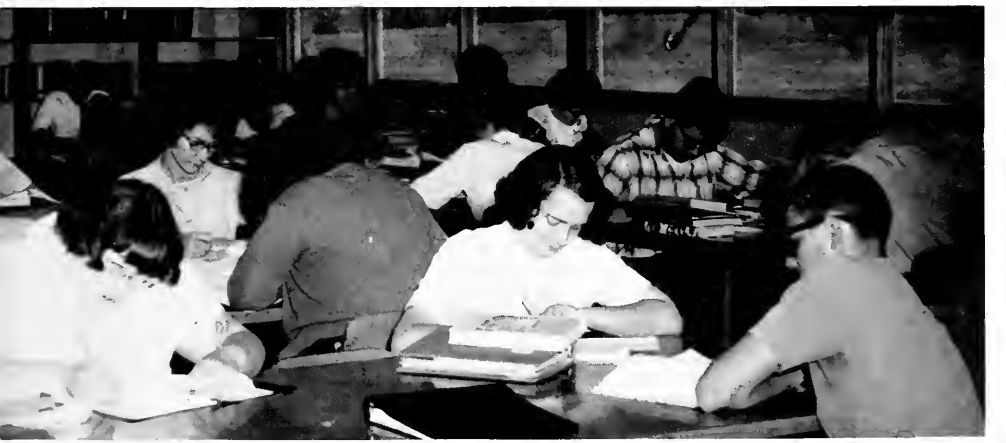
The recipient of the Betty Crocker Homemaking Award was Janet Beaver.



INSIGHTS TO THE FUTURE

OUR ULTIMATE GOAL– PREPARE TO MEET THE CHALLENGE

In order to survive in this growing world we must grow with it. Our fundamental knowledge must expand to cope with the many new and interesting fields now opening. Today more than ever the ladder of success is made up of good education and hard work. Each day as we attend classes at Roanoke we are climbing another round on our ladder to success. Sometimes we fail to remember that what we do today as youth, will determine whether or not we reach our goals of tomorrow. How high we climb tomorrow depends on what we're doing today.



PUPILS ARE TRAINED IN TECHNIQUES OF BUSINESS

Janet Beaver and Linda DeWitt are hard at work on a bookkeeping assignment.

R. H. S. can be proud of a very effective and efficient business department. We can boast of our latest equipment, up-to-date textbooks, and interesting bulletin board displays. This information which we gain in general business, bookkeeping, typing, and shorthand will prove valuable in the years to come.

Dianna DeVine finds the adding machine a time-saving device in adding columns of figures.

Susan Gruesbeck and Jane Smith work for accuracy and speed in first year typing class.

MATH AND SCIENCE COURSES CHALLENGE STUDENTS

Since his beginning man has been searching for answers to these questions: "Why is grass green?" "What is sound?" "What causes fire?" As time advanced, men found the answers to these questions and many others. They also learned how to use and express these facts in numbers and formulas. By studying science and mathematics, we learn the answers to our questions, and we realize how much there is still to learn.

Rich Hertel, Charlotte Clark and Richard Dillman watch the experiment they have set up in physics.

Roger Sunderman, Cheryl Bandelier, Jim Chesterman, Lonnie Thorn and Joe Weaver try out new equipment in college algebra class.

Students Train For Future Vocations

Homemaking classes prepare girls for their future roles as mothers and housewives by teaching such skills as sewing, cooking, budgeting, child care, and meal planning.

Boys are taught the use of tools and machines in shop classes. They learn to be skillfull both with their hands and their minds.

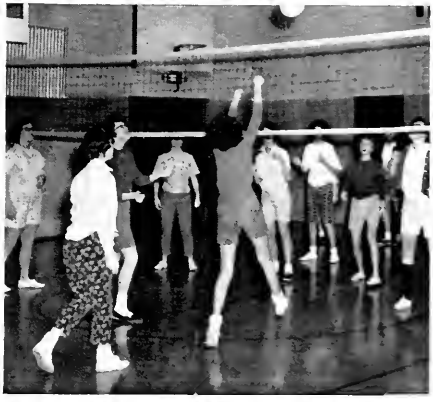
P. E. And D. E. Combine Quick Thinking, Coordination

Basketball is one of the favorite games the boys play in physical education class.

Mr. Smith sees that safety comes first as he shows Jane Smith how to fasten her seatbelt.

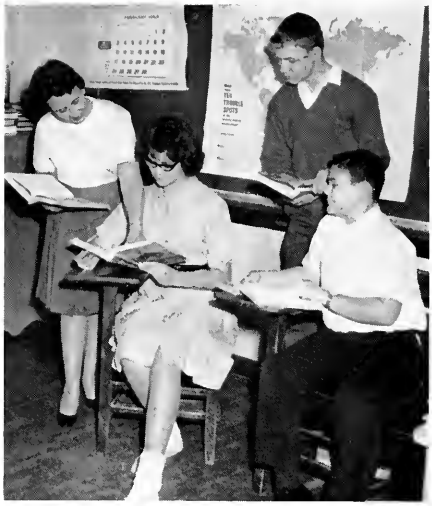
Volleyball is one of the principal games played in girls' physical education classes.



Physical education and drivers' education go hand in hand teaching physical fitness, sportsmanship, and coordination. To be a good driver or a good athlete one must train the mind and body to react quickly and correctly to any situation that might arise. Skills learned in these classes promote the health and safety of the entire community.

Literature And Art Blend Into Culture

Ever since we were very small and able to draw pictures on sidewalks or to scribble on the walls, we have responded—some more than others—to the instinct to put everything we see and hear on paper. At Roanoke that instinct is fostered very earnestly and skillfully. Here we are taught the true appreciation of beauty in nature and in books.



Mrs. Harmon lends a helping hand to Pam Hamilton, Paul Swain, and Jerry Platt as they dramatize a play in eighth grade literature class.

The attractive bulletin board in the library is prepared by Linda Crow and Cheryl Brewer.

Julie Jones and John Larkey make Christmas decorations in the high school art class.

Ted Wall imitates a race car driver in his pantomime.

Margaret Delmuth gives her interpretation of a person trying to read a newspaper while a fly is disturbing her.

Students Enjoy Creative Expression

Shown below is the cast of the Christmas play written by Linda DeWitt. Local winners of the speech contest at Huntington were Allen Williams, Linda Butler, and Don Zent.

Twenty-five seniors, wanting to build self-confidence and improve their speaking ability for college and experiences in future living, enrolled in speech class in the fall of 1962. In this course students learned how to remain composed while speaking before a group. There were many different kinds of speeches assigned, and much was learned from the informative talks given by the class members.

Members of the speech class presented a Thanksgiving play, "You Lucky Boy," written by Charlotte Clark.

The Past Prepares Us For The Future

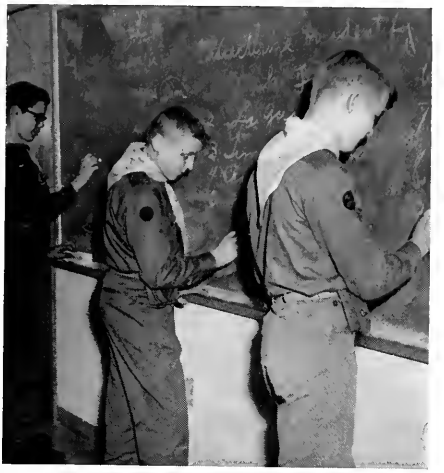
Government student Linda Butler shows her enthusiasm for a favorite candidate in the November election.

Members of the WKJG television panel, "Communism Looks at Youth" were Cheryl Bandelier, Roger Sunderman, Janet Beaver, and Don Zent.

Mr. Everitt tunes in the television while members of the U. S. history class wait for their daily lesson by television instruction.

By studying the people and events of the past we gain a better understanding of what is happening in the world today and also some knowledge of what to expect in the future. We learn facts in history, government, and sociology classes, which help each of us to do his best now and to prepare wisely for the future.

Languages Foster Understanding



Bill Gruesbeck, Marvin Rice, and Bill Collins diagram sentences in freshman English class.

Success is everyone's goal. It is said that a mastery of English is a sure road to success. All of us should learn to speak English correctly and to know something about its background. In Latin classes we learn to read and write Latin and we gain a better understanding of our own language background.

Tammara Truitt and Steve Wohlford find that two heads work better than one when it comes to doing Latin.

Linda Lesh and Greg Patten locate on the map a country which is the setting for their Latin story.

Success Through Education

OUR ULTIMATE GOAL— TO ROUND OUT OUR EDUCATION

In order to be successful, we must have more than knowledge. We must be able to meet the public, to intermingle with others, and to get along with them. Our interests must vary, and we must learn to appreciate the many fine facets of life. Through clubs, organizations, and activities we fulfill some of these needs. We practice leadership, consideration of others, and co-operation. In developing these skills, we are striving toward our goal of being well-rounded individuals.

It took many long hours of hard work along with much worry and anxiety on the part of the director Mrs. Merckx, but finally on October 19 the play, "Grandma's Best Years," went off without a hitch. The production proved to be more than an experience in dramatics. It created a feeling of friendship among the cast and classmates which will endure through the rest of their high school days.

Vern Thorne, Bob Klepser, Sandy Schenkel, and Lana Witherow discuss their problems during the Junior Play.

SENIORS DON PERIOD COSTUMES

The Senior Variety Show consisted of two one-act plays and instrumental and vocal music. "The Neighbors" was a touching drama of the people in a small town who forgot their own troubles to help a friend and neighbor. The Senior Combo presented instrumental selections from the early 90's and Linda Butler sang. "The Hanging at Sinimin City", a farcical parody, centered around the election of a new sheriff. The action was fast and furious and as thrilling as any T.V. Western.

Another killing has taken place in Sinimin City.

Roger Sunderman takes the orders of cowboys Myron Husband, Wayne Scott, and Allen Williams.

Shown below is almost the entire senior class all of whom participated in the variety show.

SUNSHINE SOCIETY THINKS OF OTHERS

Memories of candle light will remain with new Sunshine Society members for years to come. After the initiation and installation ceremonies at the First Brethren Church, the girls tried to live up to their motto "Others" by visiting the Roanoke Nursing Home at Christmas time. The club also had a record hop and bake sale to raise money for the Riley Hospital Fund. "Forget-Me-Not" was the theme of the traditional formal dance which was held in the spring.

STUDENTS VOLUNTEER SERVICE

Each period there is one student in charge of the library. Many of his spare minutes are spent in checking books in and out, returning books to their proper places, and cleaning and arranging shelves. The services performed by these student librarians are very vital to the efficiency of our library.

During its second year, the Junior Red Cross strove toward its aim of helping others. The group helped with Bloodmobile visits and the United Fund Drive, offered first aid courses, visited the County Home, and earned money through cake raffles and a record hop.

COUNCIL DISPLAYS DEMOCRACY IN ACTION

The Student Council at Roanoke High School was especially active this year. Many worthwhile changes may be credited to this leading organization. Among the council's many projects were locker inspection, the new suggestion box, chartering of school clubs, planning of assembly programs, election of cheerleaders, record hops, and cake raffles.

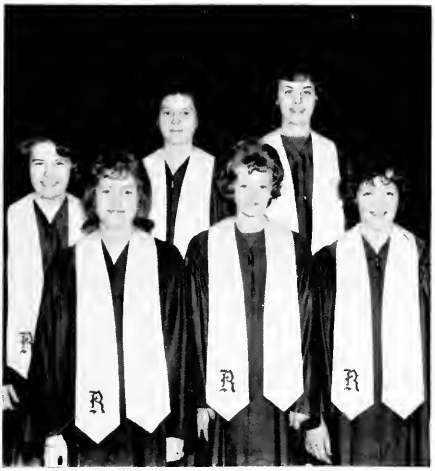
Before many of the games the boosters made large and small signs to decorate the halls to urge the teams on to victory. Green sweaters were purchased and worn to the games. Sweatshirt sales and a record hop were sponsored by the booster club to raise money for their treasury. Each booster club member did her part of upholding the school spirit before the games, and yelling the loudest during them, to show the Stonewalls they were backing them all the way.

Booster Club officers are Cynthia Smith, Linda Butler, Lana Witherow, Pam Swaidner, Janet Beaver, and Tammy Truitt in front.

HAVE VOICES, WILL BLEND



Chorus members, under the direction of Mr. Walker, blended their voices for many activities. They presented selections at P. T. The chorus had three ensembles which entered the District Ensemble Contest from which they brought home honors.

PRACTICE MAKES PERFECT

The Roanoke High School Band once again completed another busy, successful year. The Band Department, under the fine leadership of Mr. Walker, brought home many honors and awards. Ball games, concerts, special programs, school assemblies, dance band, district and state band contests, solo and ensemble contests all combined to make it a busy year indeed. Of course, hours of hard work and practice went into meeting these demands, but the result was a lasting satisfaction which comes only through success.

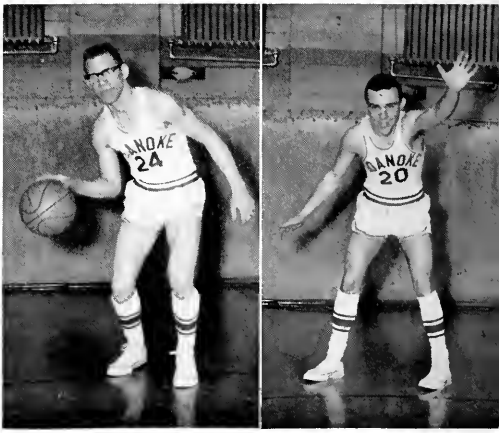
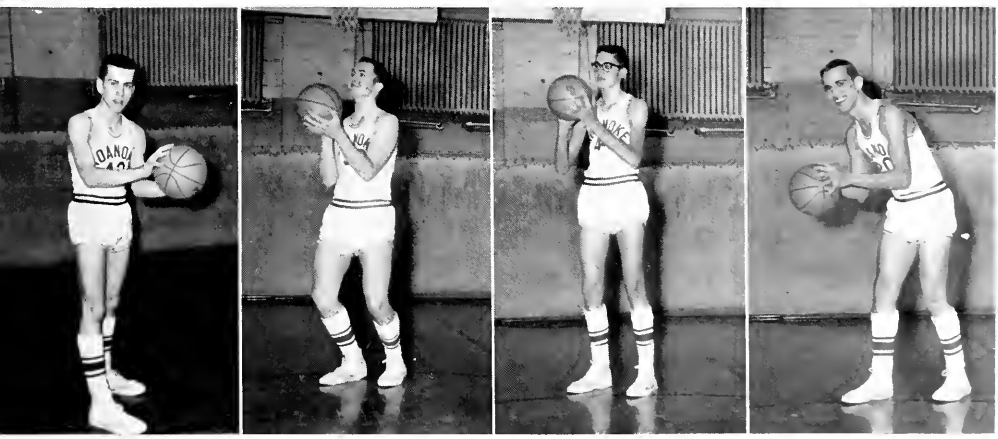
SPORTSMANSHIP AND TEAMWORK



OUR ULTIMATE GOAL – PHYSICAL FITNESS

One of the goals of our country is to train our youth so they are physically fit. One of the ways we do this is through our athletic program. At Roanoke students can participate in baseball, basketball, track, intramural games and volleyball. Through these, students not only develop their bodies but also their minds. To be a successful athlete, one must be bright and alert. He must learn to train and to stick to the rules and regulations. One of the hardest things to learn and yet one of the most important is, "You can't always win." However, through athletics we learn that good sportsmanship and physical fitness are our ultimate goals.



STONEWALLS EXHIBIT MANY FINE
SHOW PROMISE FOR FUTURE

Sportsmanship and teamwork their ultimate goal, the 1962-63 Roanoke Stonewalls fought an uphill battle all season in a rebuilding campaign. Nevertheless, the green and white showed steady improvement as the year progressed, and they gave local fans something to cheer about more than once.

The team compiled a respectable record of 8 wins and 13 losses under new coach, Mr. Felton. Since only two varsity members will be lost via graduation, chances for a great season next year look extremely bright.

Junior High Has Excellent Season

Under the capable leadership of Coach Everitt, this year's Junior Stonewalls ended the season with a fine 12-4 record, a record for the entire school to be proud of. Possibly the most exciting event for the players and fans was the County Tourney where the Junior Stonewalls advanced to the finals. Enroute they defeated Andrews, Rock Creek, and Huntington Twp. before being derailed by a powerful Bippus quintet.

Stonewall Diamond Men

Rebuilding, as all the Roanoke teams were doing this year, the "Stonewalls of the Diamond" still compiled a respectable 4-4 season record. As the year progressed, the team improved vastly and next year should be another fine year. The team's leading hitter was Rick Hartley with a .400 average. Rick Hartley, Don Rice, and Duane Baker handled pitching chores.

Although the team lost heavily by graduation, the team this year is starting out very well with some bright young prospects.

Rick Hartley, Jerry Collins, Rick Rice, and Phil Cooper are ready for the starting gun.

The girls' volleyball team also did well for themselves. They were runners-up to Lancaster in the county meet. The B-Team and freshman girls each went undefeated.

Each team was given a coach who was either a varsity player or a student manager. The teams were the Hartley Hornets, Quickery Quitters, Thorn Terrors, and Wohlford Warriors.

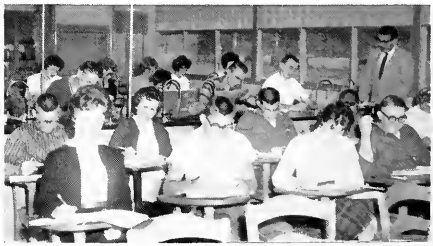
Happiness Through Friendship



OUR ULTIMATE GOAL – TO MAKE FRIENDS

Everyone needs friends. Some people have many friends, while others have only a few. These friends bring us happiness and security. They are fun to be with and we can share our joys and sorrows with them. At school we make many friends, both students and teachers. We learn to get along with others and to understand their needs. Our attentions are drawn to new areas through our friends' interests. As we work toward our goal of making friends we learn this true lesson: "To have a friend you must first be a friend."

THEY TURN THE WHEEL OF R. H. S.

Mr. Reed's office is the hub of activity.

Who are the busiest people in the school? Mr. Reed and Mrs. Corll, our principal and secretary, of course. Mr. Reed gets the mail, handles the problems, (of which there are many) teaches geometry, is champion ping-pong player, and a pal to everyone. Mrs. Corll is nurse, secretary, counselor, banker, telephone operator, mother, musician, and poet all wrapped up into one.

Mrs. Corll helps keep the school running efficiently.

Mr. Reed, the principal, performs one of his many duties.

MAKING EDUCATIONAL DECISIONS

Much credit for the success of the school year should be given to the members of Jackson Township Board of Education. Throughout the year the board has met many problems in regard to the financial program, the planning of a school curriculum, the selection of teachers, and the legislation of general school rules.

Our trustee, Mr. Edward Yant.

Members of the advisory board are Gerald Smith, Kenneth Eisenhut, and Garl Simon.

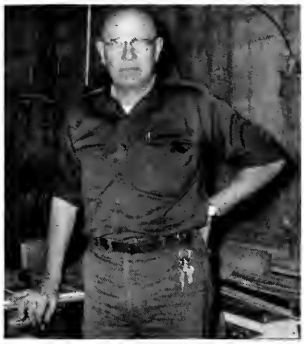
BEHIND THE SCENES OF R. H. S.



The man responsible for the maintenance of our school is Dale Rupert, who performs innumerable tasks for everyone's comfort and convenience.

Mrs. Crow, Mrs. Jordan, and Mrs. Jackson feed the hungry mob at noon.

Claude Tribolet, Art Young, Bob Winters, Bob Husband, Dale Lahr, and Ed Quickery are responsible for the safe transportation of the rural students to and from school.

Mr. and Mrs. Wilfred Gundy and Mrs. Clyde Smith prepare the school each evening for the next day's onslaught.

Seniors Depart With Optimism For Furture Years

On May 14th, thirty-two seniors marched down the aisle and out of R. H. S. As they left, their thoughts turned to the past. That last year had been a glorious one filled with many activities—the toilsome hours of gathering scrap and paper, only to find it was worthless, the candy sales, the record hops, the variety show, those six wonderful days in New York and Washington D. C., then the reception, the Senior Banquet, Achievement Night, Baccalaureate and Commencement. Yes, all is over now—all but the memories. They will live on forever.

Senior Class Officers are Linda DeWitt, secretary, Roger Sunderman, treasurer, Cynthia Smith, vice president, Don Zent, president.

Graduation day is a day of sadness for Cynthia Smith, Don Zent, and Cheryl Bandelier.

Allen Williams and Jay Sagers try to attract customers at the senior booth at the Fall Festival.

The junior class of 1963 had a highly successful and exciting year. Their first major project was the annual magazine sales. Although there was a lot of hard work put into the project, it was well worth it. The total sales topped over $1,600, which set township and county records. The juniors also sold Christmas cards, presented a play, and sold concessions at the county tourney and home basketball games. This year saw the juniors "rolling in dough" towards a much awaited senior year.

On Other Pages

The sophomores added another rousing year to their list. The class held the annual fish fry in the gym and netted a total profit that broke all records. The whole class pitched in for the car wash and bake sale that helped to close the gap, money-wise, toward the Senior Trip. The sophomores had a great deal of work and fun (mostly fun) during the year and they focused a determined eye on the challenges of the coming years.

The freshmen began high school with high hopes for the future. During freshman initiation the thought going through their minds was, "Wait 'til I'm a senior!" They started forward toward realizing these hopes by raising money with a skating party at Beaty's Rollerina.
